Contemporaneous with this motion, the government is filing its supplemental response to Defendant Sesley Williams's supplement to her motion for compassionate release, ECF No. 331. The response refers to Government's Sealed Exhibit 1, which includes Williams's updated medical records that undersigned counsel obtained from the Bureau of Prisons, and which the government believes will assist the Court in evaluating Williams's motion. Because the records contain private medical records, we believe they should be filed under seal and remain under seal. The government therefore requests leave to file those records under seal. Undersigned counsel will serve the sealed exhibit on defendant's counsel via email.

1 **CONCLUSION**

2 For the foregoing reasons, the government respectfully requests leave to file under
3 seal Government's Exhibit 1 to its supplemental response to Williams's supplement to
4 motion for compassionate release, and requests that the Court maintain those records
5 under seal.
